

When did you start playing Guitar?

In 2019, the community college offered "enrichment" courses. I registered for GUITAR 101 TAUGHT by Bob VAN DERheyden, the GL moderator.

What was your motivation to learn the instrument?

I've always wanted to learn an instrument, and figured at 70 years old I had better get started.

What styles do you play?

Huh?

What make / Model guitars do you play?

AN Epiphone I bought 3rd hand.

What kind of strings do you like?

6

Do you play out?

I play out on my deck in the summer.

Do you like to jam with others?

As long as they play louder than I do.

What is your practice routine?

I like to play in the evening until my CAT climbs up on my lap.

What are your current goals? How does GL Support them?

GL keeps me playing.
