Artist: Bob Seger, Album: Stranger In Town (1978)

C Em Am G x4

C Em Am G

Take away my inhibitions

C Em Am G

Take away my solitude

C Em Am G

Fire me up with your resistance

C Em Am G

Put me in the mood

C Em Am G

Storm the walls around this prison

C Em Am G

Leave the inmates, Free the guards

C Em Am

Deal me up another future

G C Em Am G
From some brand new deck of cards

[CHORUS]

F G
Take the chip off of my shoulder

C E7 Am
Smooth out all the lines

Dm G F Em Dm
Take me out among the rustling pines

C Em Am G
Till it shines

C Em Am G
Ah, till it shines

C Em Am G
Like an echo down a canyon

C Em Am G
Never coming back as clear

C Em Am G
Lately I just judge the distance

C Em Am G
Not the words I hear

C Em Am G
I've been too long on these islands

C Em Am G
I've been far too long alone

C Em Am G
I've been too long without summer

C **Em Am G**
In this winter home

[CHORUS]

F **G**
Still if we can make the effort

C **E7** **Am**
If we take the time

Dm **G F Em Dm**
Maybe we can leave this much behind

C **Em Am G**
Till it shines

C **Em Am G**
Mmm, till it shines

SOLO

[CHORUS]

F **G**
See the rich man lost and lonely

C **E7** **Am**
Watch him as he dines

Dm **G F Em Dm**
Sitting there just testing all the wines

C **Em Am G**
Till it shines

C **Em Am G**
Mmm, till it shines...

C Em Am G...
